

Desirable and undesirable behaviour

1. You meet a person behaving in a **DESIRABLE** manner. How likely is it they are a member of **Group A**, on a scale of 1-7?

1 2 3 4 5 6 7

very unlikely very likely

2. You meet a person behaving in a **DESIRABLE** manner. How likely is it they are a member of **Group B**, on a scale of 1-7?

1 2 3 4 5 6 7

very unlikely very likely

3. You meet a person behaving in a **UNDESIRABLE** manner. How likely is it they are a member of **Group A**, on a scale of 1-7?

1 2 3 4 5 6 7

very unlikely very likely

4. You meet a person behaving in a **UNDESIRABLE** manner. How likely is it they are a member of **Group B**, on a scale of 1-7?

1 2 3 4 5 6 7

very unlikely very likely

Now, calculate:

1. Your score for Question 1 minus your score for Question 3, and write the answer here:

GROUP A SCORE:

2. Your score for Question 2 minus your score for Question 4, and write the answer here:

GROUP B SCORE:

3. Finally calculate your **GROUP A SCORE** minus your **GROUP B SCORE**, and write the answer here:

GROUP A – GROUP B:

Hold your sheet in the air until someone collects it from you.
